

Fantail Lodge

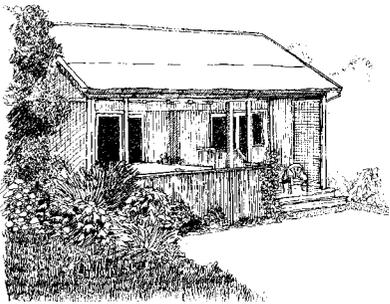

Broad Bay, Otago Peninsula

At Fantail Lodge we offer a choice of two self-contained cottages, situated in our large sunny garden.

Fantail Cottage (above) is an open-plan design, offering queen-bed accommodation with two extra single beds on a mezzanine floor. Ideal for a couple or family group.

Bellbird Cottage

(left) offers queen-bed accommodation with the additional luxury of an outdoor spa pool for your personal enjoyment. A very special place for a couple to relax and unwind.

Relax on your verandah, surrounded by our lush harbourside garden and enjoy the company of native birds. We are adjacent to a small sandy beach and offer guests free use of our kayaks. It is a short drive to all the attractions of the Otago Peninsula: Larnach Castle, Yellow-Eyed Penguin Reserve, Royal Albatross Colony, sea lions, fur seals and wild ocean beaches.

Both cottages have self-catering facilities. A continental breakfast hamper can be provided if desired.

The cottages are smoke-free.

Fantail Lodge, 682 Portobello Road, Broad Bay, Otago Peninsula

To find Fantail Lodge, take Portobello Road along the edge of the harbour towards Taiaroa Head. Broad Bay is a 30-minute (15 km) scenic drive from Dunedin. When you reach Broad Bay Boating Club, prepare for a very sharp right turn into Clearwater Street and keep turning into the driveway that leads up to 682 Portobello Road. Our house sits on a rise overlooking Broad Bay Boating Club. The driveway goes in front of the large wooden house on the corner of Clearwater Street. Continue straight along the driveway and the entrance to 682 Portobello Road is immediately in front of you. There is parking for Fantail and Bellbird Cottages in our garden.

We like to warn our visitors that there are limited dining and shopping facilities on the Peninsula, particularly in winter. There are small grocery shops in Macandrew Bay and Portobello, 5 minutes drive from here, but if you are planning to self-cater, it is best to stock up in one of the supermarkets in Dunedin before driving out to Broad Bay.

There is a credit-card-operated petrol station at Portobello. There is currently no ATM cash machine on the Peninsula.

If for any reason we are not here when you arrive, your cottage will be open, please make yourselves comfortable.

We look forward to meeting you and sharing with you the wonderful Otago Peninsula.
